Steelhead Fishing

Fish for the dinosaur-era sturgeon with its legendary bulk of 200+ pounds and 11 feet in length. This behemoth fish with its exoskeleton and razor sharp bony plates make for great photo opportunities as this fish is catch and release only on the upper Snake River in Hells Canyon.

RATES: 1 day trip: \$250 per person for 1 to 2 people. 3 or more \$225 per person. 6 people maximum capacity per boat.
